INFORMED CONSENT

I would like to take this opportunity to welcome you to Southcentre Health & Wellness! This Clinic utilizes the principles and practices of Naturopathic Medicine and supplemental therapies to assist the body's own ability to heal and to improve the quality of life and health through natural means. Your practitioner will conduct a thorough case history, which may include a physical exam and specific laboratory testing as part of the treatment. Any practitioner you choose to work with will have access to your history to minimize repetition while maintaining complete confidentiality.

Statement of Acknowledgement

I, (printed name) _____ as a patient of this clinic, have read the information and understand that the form of medical care is based on Naturopathic and other supportive principles and practices. As the clinic is an integrated health clinic, I recognize that all the practitioners that are working with me will have access to my file. I also recognize that even the gentlest of therapies potentially have their complications in certain physiological conditions, in very young children or those on multiple medications and hence the information provided is complete and inclusive of all health concerns including risk of pregnancy; and all medications, including over the counter drugs and supplements. The slight health risks of some Naturopathic treatments include, but are not limited to; aggravation of pre- existing symptoms, allergic reaction to supplements or herbs, pain, fainting, bruising or injury from venipuncture or acupuncture; and muscle strains and sprains.

I also confirm that I have the ability to accept or reject this care of my own free will and that I am not an agent of any private, local, county, provincial or federal agency attempting to gather information without so declaring.

I understand that, as a patient, I am responsible for all costs incurred as a result of the decision including, but not limited to; the cost of all procedures involved in the treatment plan, the care provider's time, supplements, supplies and appointments missed or cancelled without sufficient notice (24 hours). I am aware that treatments are not covered through Alberta Health Care and may not be covered under private health insurance.
